HELLO MY NAME IS KUROAGI AND I'LL BE DOING THE SCANLATION OF VOYEURS, INC. FROM NOW ON, I REALISE NO ONE HAS PICKED IT UP SINCE TOKYOPOP ORIGINALLY RELEASED IT. THEY HAVE ONLY RELEASED THE FIRST 3 VOLUMES AND SO I HOPE TO PICK IT UP FROM THERE. I'LL BE DOING EVERYTHING BUT THE TRANSLATION AS I DON'T KNOW JAPANESE, I HOPE YOU GUYS LIKE THE STYLE I DO THESE CHAPTERS IN PLEASE REMEMBER THAT I'VE NEVER DONE ANYTHING LIKE THIS BEFORE SO I CAN ONLY IMPROVE (HOPEFULLY) OVER TIME.

Okay lets get down to the nitty gritty (yes I'm British) this single page will be chapter 31 because the Japanese raws show chapter 31 to be Tokyopop's chapter 30, I have being through it and all it is because Tokyopop miss labelled the chapters, because of this I'll be starting from chapter 32 where the new arc starts, this means you won't be missing anything so don't worry. Also I know this is a lot of text to read and thanks for reading and understanding I'm hoping to try and get 1 or 2 chapters out a week but I can't guaranty anything as I work full time.

I hope you enjoy reading this manga, lets hope I can make it to the end lol
